- *Video:* **After Effects** (Motion Graphics, VFX), **Premiere Pro**

PROJECTS

Recycool Technical Artist 2026.10

Recycool is a serious game designed to teach kids (and adults) how to recycle (coolly). This game lets players perform trick shots with trash as they learn the proper way to recycle according to Salt Lake City guidelines.

Petey & the Police Technical Artist 2026.09

Petey and the Police is a retro mobile game based on Granny and the Gators, one of the first pinball/arcade hybrids created in the early 1980s.

Go Groundshel! Technical Artist 2025.04

2D Puzzle/Adventure RPG; Demo released on Steam
Created and integrated diverse art assets; reconstructed and built 7 primary game scenes; designed and implemented manuals and maps; optimized UI to enhance user experience.
